Dear Arnie:

Herewith, per your agreement with [redacted] is a draft of a joint Secretary of Defense/DCI letter concerning the Export Administration Bill. This letter represents only a CIA staff recommendation and has not yet been reviewed by either the DCI or the Secretary of Defense. I know that the DCI has views on this subject, but the matter has not yet been discussed with him, therefore, it is important that you treat this draft only as staff work because the DCI's personal views may differ.

In the meantime, I welcome the recommendations of OMB which we will factor in as we present the letter to the DCI.
